A Scholarly Milkmaid. He overtook her on the roadside while wandering for his health in the

Berkshires.
"At last," he said, "I have found a typical milkmuld of old New England. See her big sunbonnet, her dress up to her shoe tops, her plain but neat cal ico and the very pail itself. It is a morning for adventure, and I will speak to her."

He quic'tened his walk and was soon near her.

"No, sir; you may not, nor do I de-sire your attentions. Witty Members of Parliament. Charles James Fox once made re-marks on government gunpowder in the house of commons which Adams, another member, thought offensive to the ministry, and the two met, as even wise men did in those days, to shoot one another. Fox refused to fire, de-claring he had no quarrel, but Adams aimed and shot, slightly wounding his adversary. When it was over, the two shook hands, and Fox was happy enough to say, "You'd have killed me. Adams, if it had not been government

Other men there have been who would not sit through a speech for the government's sake, much less fight a duel. What's going?" somebody asked a member of parliament when a minister had got up to speek. The M. P., hur-rying on, said, "I am." The story re-calls one of Lord Erskine, who was stopped in the lobby with the question, "Who's up?" "Windham," said Er-skine, and the other asked. "What's he "His legs," replied the witty

Crusoe Kept Good Friday.
There was once a woman in Albany, prudent and cautious about the literature read by her children, who ap-pealed to Bishop Doane for advice and Instruction in the matter. Luckily no bones were broken, and the first sclousness was 'Oh, this is so sudden!' "

Hedgehogs. Hedgehogs are very strong in the water, swimming with ease against a rapid stream, and with their muscular claws they turn up the nests of trout or salmon and make a goodly haul therefrom. is the fate of sufferers from dyspepsia and indigestion. If your food remains undigested it can't build up the body. In fact, it does actual damage by decaying in the stomach and poisoning the system.

KODOL Bigests What You Eat.

A Typical South African Store.

O. R. Larson, of Bay Villa, Sundays River, Cape Colony, conducts a store typical of South Africa, at which can be purchased anything from the proverbial "needle to an anchor." This store is situated in a valley nine miles from the nearest railway station and about twenty five miles from the nearest town. Mr. Larson says: "I am favored with the custom of farmers within a radius of thirty miles, to many of whom I have supplied Chamberlain's remedies. All testify to their value in a household where a doctor's advice is almost out of the question. Within one mile of my store the population is perhaps sixty. Of these, within the past twelve months, no less than fourteen have been absolutely cured by Chamberlain's Cough Remedy. This must surely be a record." For sale by Richard Gibson "No. 2.
